

The Power! of financial planning

PETALING JAYA: The Credit Counselling and Debt Management Agency (AKPK) will be holding a financial planning programme on how to make the right financial decisions.

“Participants can expect to gain knowledge on avoiding the stress and hardship that come with unmanageable debts,” the agency’s corporate communications head Devinder Singh said.

He added that the *Pengurusan Wang Ringgit Anda* or “Power!” programme was specially designed for young individuals and new borrowers.

Cash flow management, the basics of loaning, usage of credit card, buying properties such as a house and managing debts are among the topics to be covered.
